ABOUT ME

As a skilled full stack developer with expertise in HTML, CSS, JavaScript, TypeScript, React, Next.js, Node.js, and Express, I am excited to apply my knowledge and abilities to contribute to your team. I recently received my Software Development Certificate from Dev-Academy, where I honed my coding skills and learned the importance of agile development and collaboration. My strength lies in my ability to think creatively and solve problems, and I thrive on taking on new challenges. I am confident that my experience working in a team environment will allow me to effectively communicate and work efficiently.

WORK EXPERIENCE

• 2023 Dev-Academy Aotearoa Software development (New Zealand)

Jan 2023 – Apr 2023

This was a 17-week full immersion software development bootcamp that mimics a real-life development team as closely as possible. The course taught us a modern web dev stack with a strong emphasis on human skills. Empathy, collaboration and working in teams using agile methodology. My final project was "S.I.P" (Trello style to-do scheduler) and my personal project was "Trade Me-Manager"

• One Click Truck – Trucking App - Director

Jan 2021 – Feb 2023

Demonstrated problem-solving skills by leading the development of a mobile app and web app that streamlined the trucking process for users.
- Developed my mentorship and organisational skills, through managing a team of developers and designers to ensure project deadlines with met.

• Beach Club Oyster & Kitchen (Orakei, Auckland) - Shop Manager

Dec 2020 – Jan 2023

Managed daily operations of a busy restaurant and bar, ensuring high levels of customer satisfaction
Trained and supervised a team of servers and bartenders, ensuring quality service was provided at all times.
